

# Cooperative Communications, Inc.

**Cooperative Communications QuikVoice All Distance Services** uses advanced network and digital switching technology to provide cost effective and convenient "All Distance" solutions. Combined with Cooperative's local network service, our "All Distance" solution offers a superior network, a unified bill, and a single point of contact for all your telecommunication needs.

## OUR PRODUCT

**QuikVoice All Distance Service** allows customers to place state-to-state, regional and international calls without time or day restrictions. Rates are competitively priced and calls to international locations can be customized to meet the needs of your business.

**QuikVoice Toll Free Service** allows customers to establish a toll free number that can be dialed anywhere in the United States, U.S. Virgin Islands, Puerto Rico and Canada.

**QuikVoice Telecard** is the ideal way for business travelers to keep in touch with the office, customers and calls to home while traveling in the United States and selected international locations.

**QuikVoice Dedicated or Switched** network connections can be provided depending on the customer's application and call volume. Customers will receive competitive rates that are guaranteed.
